

Just lent me your ears, I'm on to rock 'n roll music  
Any ol' way you choose it  
It's got a backbeat, you can blues it  
Any ol' way you use it  
Gotta be rock 'n roll music  
**If you wanna dance with me**  
**If you wanna dance with me**

I got no kick against modern jazz  
Unless you try and play it to damn fast  
And change the beauty of the melody  
**Until it sounded like a symphony**

That's why I go without rock 'n roll music  
Any ol' way you choose it  
It's got a backbeat, you can blues it  
Any ol' way you use it  
Gotta be rock 'n roll music  
**If you wanna dance with me**  
**If you wanna dance with me**

Lover please, please come back  
Don't take the train comin' down the track  
Don't, please, don't, don't leave me  
**Don't leave me in a misery**

You will never come so near  
You will never call me dear  
Don't you know I'd die for you  
**Make over, that's what I'll do**

**Lover please, please come back**  
**Don't take the train comin' down the track**  
**Don't, please, don't, don't leave me**  
**Don't leave me in a misery**

**Oh, that 'll be the day**  
**When you say goodbye**  
**That 'll be the day**  
**When you make me cry**  
**You say you're gonna leave**  
**You know it's a lie, 'cause**  
**That 'll be the day when I die**

You give me all your lovin'  
And on you turn above and  
**Your hugs and kisses and your money too**  
You know you love me, baby  
And sweet, you tell me maybe  
**That some day, well I'll be blue**

**Oh, that 'll be the day**  
**Oehoe**  
**That 'll be the day**  
**Oehoe**  
**That 'll be the day**  
**Cause that 'll be the day when I die**

I never felt more like singing the blues  
Cause I never thought that I'd ever lose your love, baby  
**You got me singing the blues**

**The moon and stars no longer shine**  
**The dream has gone I thought was mine**  
**There's nothing left for me to do**  
Than cry all over you

Cry over you

**Well, I never felt more like runnin' away**  
**But why should I go**  
**Cause I couldn't stay without you**  
**You got me singing the blues**

**I've been made blue**  
**I've been lied to**  
**When will I be loved**

**I've been turned down**  
**I've been pushed 'round**  
**When will I be loved**

Together we stand here by than before  
Come on now people, let's get on the floor  
**And work together**  
**Come on, come on, let's work together**, now now people  
Cause together we will stand  
Every boy, every girl and a man

Before when: please go home, easy  
Sometimes we'll remember  
More than two times all these days  
All out of plan  
**Let's work together, come on come on**  
**Let's work together**, now now people  
Cause together we will stand  
Every boy, girl, woman and a man

You keep on knockin', but you can't come in  
You keep on knockin', but you can't come in  
You keep on knockin', but you can't come in  
Come back tomorrow and then try it again

You say you love me, but you can't come in  
You say you love me, and you can't come in  
You say you love me, and you can't come in  
Come back tomorrow and then try it again

**We're gonna have some fun tonight**  
**We're gonna have some fun tonight**  
**Wooh, everything's alright**  
**We're gonna have some fun tonight**  
**We're gonna have some fun**  
We're gonna have some fun tonight

Hey baby, won't you take a chance  
Say that you'll let me have this dance  
**So let's dance, well let's dance**  
**We'll do the twist and stomp**  
**And mushed potatoe too**  
**Any ol' dancin' that you wanna do**  
**Well let's dance, well let's dance**

Hey baby, if you're all alone  
Say that you'll let me walk you home  
**Let's dance, well let's dance**  
**We'll do the twist and stomp**  
**And mushed potatoe too**  
**Any ol' dancin' that you wanna do**  
**Well let's dance, well let's dance**

I'm ridin' along in my automobile  
My baby beside me at the wheel  
I stole a kiss at the turn of her mouth  
My curiosity's runnin' wild  
Cruisin' and playin' the radio  
With no particular place to go

**Ridin' along in my Calaboose**  
**Sometimes I get her bealt unloose**  
**All the way home I held the verge**  
**But her safety-bealts were put in merge**  
**Cruisin' and playin' the radio**  
**With no particular place to go**

Well, I'm the type of guy who will never settle down  
Where every girls are, ring me home and I'll be 'round  
I kiss 'em and I love 'em, 'cause to me they're all the same  
I hug 'em and I squeeze 'em, they don't even know my name  
**They call me the wanderer, yeah the wanderer**  
**I roam around and 'round and 'round and 'round and 'round**  
**They call me the wanderer, yeah the wanderer**  
**I roam around and 'round and 'round and 'round and 'round**

Annie Way you left me long time ago  
But now you're knockin' on my door  
**I hear you knockin'**  
**But you can't come in**  
**I hear you knockin'**  
**Go back where you've been**

I begged you not to go  
But you said goodbye  
And now you're tellin all your lies  
**I hear you knockin'**  
**But you can't come in**  
**I hear you knockin'**  
**Go back where you've been**

**Lucille, you don't do your daddy's will**  
**Lucille, you don't do your daddy's will**  
**Ain't nothing to ya**  
**But I love you still**

I woke up this morning, Lucille was not inside  
Asked my friend about her  
All their lips were tied  
Lucille, you don't do your daddy's will  
Ain't nothing to ya  
But I love you still

You shake my nerves and you rattle my brain  
Too much of love drives a man insane  
You broke my will, oh what a thrill  
Goodness gracious, great balls of fire

Kiss me baby, oh it feels good  
Hold me baby  
Well, I wanna love you like a lover should  
You're fine, so kind  
I gotta tell this girl that you're mine, mine, mine, mine

I kick my nerves and I twiddle my thumbs  
I feel in love but it shure is fun  
Come on baby, you drive me crazy  
Goodness gracious, great balls of fire
