

At first I was afraid  
I was petrified  
Thinking I couldn't live without you by my side  
'nd I have to spent the nights  
Thinkin' how you did me wrong  
I grew strong  
An' I learned how to get along  
Now your back  
From out of space  
And I find you here  
With that, sad look upon your face  
I should have change that stupid lock  
Or made you leave your key  
If I had know for a second  
You'd been back to bother me  
Go on, go  
Walk out the door  
Turn around now  
You're not welcome anymore  
You were the one who tried to hurt me with goodbye  
You think I'd crumble  
You think I'd lay down and die  
No not I  
I will survive  
As long as I know how to love  
I know I'll stay alive  
I've got my life to live  
And all my love to give  
And I will survive  
I, I, I will survive

**I, I, I, I, I will survive**  
**I, I, I, I, I will survive**  
**I, I, I, I, I will survive**  
**I, I, I, I, I will survive**  
Yeah it took all my strings  
Not to fall apart  
Trying with all my mind to mend my broken heart  
I spent so many nights  
Feeling sorry for myself, how I cried  
But now I hold my head up high  
You see me  
Somebody new  
Not that lonely little person still in love with you  
Now you come droppin' in  
Expecting me to be free  
But I'm saving my loving for someone who's loving me  
Go on go

I never can say goodbye  
No, no, I, never can say goodbye  
Every time I think I had enough  
And start headin' for the door  
There's a very strange vibration  
Piercing me right to the core  
It said **turn around you fool**  
You know you love him more, and more  
Tell me why  
**Is it so**  
Ow **Don't wanna let you go**  
**I, never can't say goodbye boy**  
No baby, **I never can't say goodbye**

Woah  
He, **I never can say goodbye boy**  
Oh never, never  
**I never can't say goodbye**

Ooh, ooh  
**I'll be there**  
**To love and comfort you**  
**I'll be there**  
**With a love that will see you through**

Now when you feel that you can't hold on  
Beacu' all of your hope is gone  
And your life is filled with confusion  
As happyness is just an illusion  
When the world around is tumbling down  
Darlin' **reach out**  
**Reach out**  
Neah

*All your hope is gone*  
*Happyness is just an illusion*  
*I'll be there*  
*To love and comfort you*  
*I'll be there*  
*To love and see you through*

When you're lost and about to give up  
Cause your best just ain't good enough  
When you feel, the world has gone cold  
And you're driftin' out on your own  
When you need and have to hold  
Baby reach out  
Woah **reach out** f' me  
Reach out

*Just aint good enough*  
*Driftin' out on your own*  
*Reach out*  
**I'll be there**  
**To love and comfort you**  
**I'll I'll be there**  
**With a love that will see you through**

*I'll be there*  
*To love and comfort you*  
*I'll be there*  
*To love and see you through*

I am what I am  
I don't want grace, I don't want pity  
I bang my own drums  
Some think it's noise, I think it's pretty  
And so what if I love each spot of the land, each bangle  
Why not trying something from a different angle  
Your life is a sham till you can shout out  
I am what I am

I am what I am  
And what I am needs no excuses  
I deal my own deck  
Sometimes the ace, sometimes a dueces  
It's one life and there's no returnin' notify this  
One life so it's time to open up your closet  
Life's not worth a damn till you can shout out  
I am what I am

I am what I am  
And what I am needs no excuses  
I deal my own deck  
Sometimes the ace, sometimes a dueces  
It's one life and there's no returnin' notify this  
One life so it's time to open up your closet  
Life's not worth a damn till you can shout out  
I am what I am

*Tell me why*

*No no no*  
*No no no*  
*No no no*

*Aahaaahaa*

I am, I am  
I am, I am  
I am, I am  
I am, I do  
I am, I am  
I am, I am  
I am, I am  
I am, I do  
I am, I am  
I am, I am  
I am, I am  
I am, as good

*Good*  
*Strong*  
*Somebody*  
*Belong*  
*Good*  
*Strong*  
*Somebody*  
*Belong*  
*Useful*  
*True*  
*Worthy*  
*As you....*
