

When you've gone in trouble
And you need some lovin' care
And nothing, no nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest nights

**You just call out my name
And you know wherever I am
I'll come runnin'
To see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will
You've got a friend**

If the skies above you
Grows dark in sooty clouds
And that old notchin' wind begins to blow
Keep your head together
And soon I'll be there
To brighten up even your darkest night

**You just call out my name
And you know wherever I am
I'll come runnin'
To see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will**

Well, ain't it good to know
That you've got a friend
When people can get so cold
They hurt you, they desert you
And they'll take your soul
If you let them
But they won't let them
Won't let them
Wooh, sing it with us

**You just call out my name
And you know wherever I am
I'll come runnin'
To see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, here we go**

**You just call out my name
And you know wherever I am
I'll come runnin'
To see you again, to see you again
And again and again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, you know, Marco
You've got a friend
You've got a friend
You've got a friend**

*You've got a friend
You've got a friend*
